

VISION, MISSION, VALUES:

Our Vision

A vibrant and strong business community, that collaborates successfully, is connected to opportunities, shares knowledge and is well supported by its local community.

Our Mission

The Thames Business Association believes that a vibrant and strong business community is inseparable from the community at large and therefore the Association is committed to community development through its activities. To that end, our Mission Statement is:

To be a positive and collaborative business forum that enhances and promotes improvements to the business environment and encourages new business.

We will advocate for the success of our members, we will partner with others and deliver programs that provide focus, coordination and that drive economic activity.

Our activities will enhance the social, cultural and environmental conditions within our community, as we believe that ***Better Businesses mean Stronger Communities.***

Our Values

Professionalism: promoting good practice, and providing high quality services.

Collaboration: working cooperatively and being inclusive.

Transparency: being open and forthright in our dealings and communication.

Positive: being hopeful and optimistic in order to inspire and encourage.
